Now You Can

Take5 People is a regional HR and Payroll software solution provider currently supporting Mainland China, Hong Kong, Taiwan, Macau, Singapore and Malaysia. Our systems can be deployed in-house or provided as a cloud-based Software as a Service (SaaS) solution.

Innovative Design Philosophy

Our philosophy is 'CONFIGURE not CODE' which ensures rapid and low cost implementation.

We maintain one Source Code base for all customers across all countries and industries.

Extensive Industry Background

Our executives have decades of experience developing HRMS software solutions in Asia.

We are proud to have international and local expertise to best serve our customers.

Regional Strategy

We believe in a local focus with a regional perspective.

Our multi-jurisdictional capabilities allow you to manage all your regional operations on a single platform.

Making full use of the latest generation of internet and mobile technology, Take5 People has developed comprehensive solutions that are cross-regional, highly scalable and configurable to support all HR operational and compliance requirements. Our template based service methodology ensures the adoption of HR best practices and shortens the implementation time, keeping costs to a minimum.

Take5 People manages the entire employee life cycle from recruitment to retirement through a suite of HRMS applications. It also provides leading edge mobile applications which streamline and simplify many of the HR processes such as on-boarding, leave administration and many other employee self service functions.
